BETTER THAN BOTOX

Just a little note to tell you how much I love The *Natural Facelift™*. I have bought the Facial Flex, Home Lasers, The Home Light Therapy, every cream under the sun, and finally Botox....after my second trip to the plastic surgeon I ordered my " *Natural Facelift™*" , your non-surgical face lift. Well I was due for my third Botox shot and I cancelled it. **I get better results with your product**. With the Botox my forehead looked good but I started to develop wrinkles around my eyes. **Your product tightens my neck, jaw line, cheeks and forehead and you still look natural**. I also bought the firming gel which is a great compliment to the mask. I am turning 40 and will continue to use your product forever!!! Again thank you for a non-surgical,natural alternative...Dawn S., NJ

CLEARED UP ACNE, SCARRING AND PIMPLES

Well, with The *YouNique Natural Facelift™* **the pimples started clearing up immediately** without the burning and irritation I had been getting from the prescription creams that cost over \$450."
